- Risk and prognosis
- Searching for evidence
- Critical appraisal of systematic reviews/ meta-analysis
- Translating evidence to practice

SPEAKERS:

PROFESSOR DR. NG CHIRK JENN

Professor CJ is an academic family physician in the Department of Primary Care Medicine, University of Malaya. He is the founding member of the Malaysian Primary Care Research Group and the Editor in Chief of the Malaysian Family Physician. His academic interests include evidence-based medicine, shared decision making and men's health.

ASSOCIATE PROFESSOR DR. LIEW SU MAY

Associate Professor Dr Liew Su May is a Senior Fellow of the Centre for Evidence Based Medicine, Oxford University. Having completed her DPhil, she has now returned to her position as an academic at the Department of Primary Care Medicine, University of Malaya. Su May has conducted many EBM workshops in Malaysia, Indonesia and the United Kingdom. She enjoys teaching Evidence Based Medicine and her aim is to promote the development and practice of EBM especially in Asia. She believes that EBM can be made easy (and fun) for all health care practitioners.

DR IRENE LOOI

Dr Irene is consultant neurologist with special interest in stroke and neuro-cognitive disorder. She is also the Head of Clinical Research Centre, Hospital Seberang Jaya. She was first exposed to EBM when she attended the EBM workshop in University Malaya in 2009 and met Su May, CJ and Noran. Since then, she has brought this workshop to the Northern region of Malaysia and conducts EBM workshop yearly in Seberang Perai. Her dream is to see that every public hospital in Malaysia will have respective EBM core team.
