

INTERMEDIATE to ADVANCED BIOSTATISTICS IN MEDICAL SCIENCES WORKSHOP

30 seats
only

Date: 22nd – 24th February, 2018 (Thursday – Saturday)

Speaker: A/Prof Dr Mohd Ayub Sadiq @ Lin Naing

Venue: ICT Computer Lab, Level 1, Sarawak Heart Centre, Kota Samarahan

Overview

This *'Intermediate to Advanced Biostatistics Workshop'* is designed to impart better skills in biostatistics. These skills will be needed to design more complex clinical research of better quality. Ideally the participants should already have the research idea in mind and have the commitment to see the research through to its completion. Obviously, these workshops will not make one an expert on research methods or statistics but hopefully it may provide sufficient impetus for the participants to move forward. Participants should have the foundations of basic biostatistics before registering for this advanced workshop.

Objectives

Upon completion of this workshop, participants should be able to;

- To better understand the principles of scientific methods as applied to clinical research
- To acquire better skills in using appropriate methodology, statistical tools and techniques in designing and conducting clinical research

Workshop Content

Intermediate to Advanced Biostatistics

- Multiple linear regression
- Analysis of Covariance (ANCOVA)
- Multi-factorial Analysis of Variance
- Multiple Logistic Regression
- Survival Analysis

Who Should Attend?

- > Clinicians in the Ministry of Health
- > Any clinicians involved with clinical research
- > Personnel in hospitals & health offices
- > Researchers

Our invited speaker

Dr Mohd Ayub Sadiq @ Lin Naing is an Associate Professor in Biostatistics in Universiti Brunei Darussalam. He joined the university in 2007 and was the first Chairperson of University Research Ethics Committee (2012 to 2014). Dr Mohd Ayub obtained Master of Public Health from Mahidol University, Thailand in 1990. Prior to MPH degree, he received a medical doctor degree (MBBS) from Institute of Medicine (1), Yangon, Myanmar in 1985. He worked as a medical doctor and public health specialist in a refugee camp in Thailand (1990-1996). In 1997, he started his academic career as a public health academician in School of Medical Sciences, School of Health Sciences, and School of Dental Sciences, Universiti Sains Malaysia. He later specialized in Occupational Health and Medical Statistics after receiving Master of Health Science (Occupational Medicine, Health and Safety) from Edith Cowan, Perth in 1999 and Master in Medical Statistics from University of Newcastle, Australia in 2002. His research interests are Stress at workplace, Questionnaire Development, Validation of research tools and Survival analysis of cancer patients.

Intermediate to Advanced Biostatistics Workshop

Date : 22nd – 24th February, 2018 (Thursday – Saturday)

Venue : **Computer Lab, level 1, Sarawak Heart Centre, Kota Samarahan**

Speaker: **A/Prof Dr Mohd Ayub Sadiq @ Lin Naing**

Title (*Please circle*) : Prof / Dr / Mr / Mdm / Ms

Name (*as per IC*) : _____

NRIC / Passport No. : _____

Designation / Post : _____ Grade: _____

Department / Unit / Ward : _____

Institution / Hospital / Clinic : _____ Post code : _____

Active Email Address (*please write clearly*) : _____

Mobile phone contact no. (hp) : _____

Meal Request : Normal Vegetarian

Able to use SPSS : Yes No

Attended Basic Biostatistics workshop before Yes No

Mode of payment (*please tick ✓*)

Cash (*Fund Transfer / ATM / Online Banking*)

LPO (*Approval given by Supervisor or HOD*)

Signature : _____

Contact Person & Enquiry

Forward your registration or enquiries to;

Mr Sim Kian Tong or **Puan Zuriah Sarkawi**
simktg.crc@gmail.com zuriah.crc@gmail.com

Clinical Research Centre

Sarawak General Hospital
93586 Kuching, Sarawak

Tel: 082 - 276820 (Direct line)
082 - 276666 (Hospital ext. 1074)
Fax: 082 - 276823

Registration Fee

MOH staff / Student	RM 430.00
Non-MOH Staff	RM 480.00

Payment can be remitted via CDT / ATM transfer / Online Banking / Cheque / Local Order latest by 9th February 2018 made payable to:

LOGOS BIOMED SYSTEMS SDN BHD

Company Reg ID: 863019-H

Beneficiary Bank: **RHB Bank Berhad**
(Jalan Simpang Tiga Branch)

Beneficiary A/C no: **21114600014339**

We reserve the rights to cancel the workshop without liability other than return of the registration fee
